AHCCCS Provider Enrollment Portal

In June 2020, the AHCCCS provider enrollment process will move from a manual, paper-based system to a new, online system called the AHCCCS Provider Enrollment Portal (APEP). The new online system will allow providers to:

- Enroll as an AHCCCS provider
- Update information (such phone and addresses)
- Upload and/or update licenses and certifications

This change, from a manual process to a new, automated system will streamline the provider enrollment process. Initial applications will be processed more quickly and changes to current enrolled providers will all be completed online.

The AHCCCS Provider Enrollment Portal (APEP) will launch in the summer of 2020.
